The Most Prominent Provisions of the Cardmember Agreement

A. All Transactions including Cash Withdrawals, incurred in currencies other than the billing currency of the Card Account, will be converted into the Card Accounts billing currency. Unless the applicable laws require a specific conversion rate, the Global Network, will use prevailing interbank rates selected from usual industry sources on the business day prior of processing the Transaction. A Foreign Exchange Conversion Fee, as shown in the Foreign Exchange table or as amended by Us from time to time, will be added to the converted amount by Us, the Issuer of the Card. The conversion will be made on the date of processing the Transaction, which may not be the same date when the Transaction was made since this depends on the time when the Transaction was submitted to Global Network. The conversion rates may also vary accordingly. At the time of conversion, all Transactions, which are incurred in currencies other than US Dollars, will be converted to US Dollars before being converted to the Billing Currency. Amounts converted by independent third parties are billed as converted by them. An illustrative example is given below.
