A. All Transactions including Cash Withdrawals, incurred in currencies other than the billing currency of the Card Account ("Non-Billing Currency"), will be converted into the Card Accounts billing currency ("Billing Currency"). Unless the applicable laws require a specific conversion rate, the Global Network, will use conversion rates based on interbank rates, which they select from customary industry sources on the business day prior to the date of processing the Transaction. A Foreign Exchange Conversion Fee, as shown in the table below or as amended by Us from time to time, will be added to the converted amount by Us, the Issuer of the Card. The conversion will be made on the date of processing the Transaction, which may not be the same date when the Transaction was made since this depends on the time when the Transaction was submitted to Global Network. The conversion rates may also vary accordingly. At the time of conversion, all Transactions, which are incurred in currencies other than US Dollars, will be converted to US Dollars before being converted to the Billing Currency. Amounts converted by independent third parties are billed as converted by them. An illustrative example is given below.

In addition to this Murabaha Margin, We may charge the Company a Collection Fee at the rate specified in Annex "A" of the Cardmember Agreement if the Card is overdue for three (3) months or more. In case of the Company's bankruptcy, all amounts due on the Account shall become payable immediately.
