INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF AMERICAN EXPRESS SAUDI ARABIA

(A SAUDI CLOSED JOINT STOCK COMPANY)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of American Express Saudi Arabia, (A Saudi Closed Joint Stock Company) (the "Company") as at 30 June 2026, the related interim condensed statements of profit and loss and other comprehensive income for the three-month and six-month periods ended 30 June 2026 and related interim condensed statement of changes in shareholders' equity and cash flows for the six-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements (2410), "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS

At 30 June 2026

1 ACTIVITIES

American Express Saudi Arabia (the “Company” or “AESA”) is a Saudi Closed Joint Stock Company incorporated in the Kingdom of Saudi Arabia (‘KSA’). The Company operates under commercial registration No. 1010183222 (unified identification No.7001453476) issued in Riyadh on 27 Shawwal 1423H (corresponding to 31 December 2002); and reissued on 28 Muhurram 1437H (corresponding to 10 November 2015), Service License No. 110/1 dated 13 Muhurram 1423H (corresponding to 12 April 2002) issued by the Saudi Arabian General Investment Authority (“SAGIA”) and License No. 40/ASH/201512 dated 28 Safar 1437H (corresponding to 10 December 2015) issued by the Saudi Central Bank (“SAMA”).

The registered head office of the Company is P. O. Box 6624, Riyadh 11652, Kingdom of Saudi Arabia. The Company has the following branches:

<i>Branch Commercial Registration Number</i>	<i>Date of registration</i>	<i>Location</i>
2051041721	2 Safar 1431H	Khobar
4030189461	11 Jumada Awal 1430H	Jeddah
JLT-69544	23 December 2013	Dubai, United Arab Emirates

The Company is licensed by American Express Travel Related Services (“AETRS”) to operate card and merchant establishment business in KSA.

2 BASIS OF PREPARATION

The interim condensed financial statements of the Company as at and for the six month period ended 30 June 2026 have been prepared in compliance with International Accounting Standard (“IAS”) 34 “Interim Financial Reporting” as endorsed in KSA, other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”) and with the provisions of the Regulations for Companies in KSA and the By-laws of the Company. The interim condensed financial statements should be read in conjunction with the Company’s annual audited financial statements as at and for the year ended 31 December 2025.

These interim condensed financial statements have been presented in Saudi Riyals, as it is the functional currency of the Company and are rounded off to the nearest thousands.

Assets and liabilities in the interim statement of financial position are presented in the order of liquidity.

3 SIGNIFICANT ACCOUNTING ESTIMATES

The preparation of interim condensed financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the interim condensed financial statements and the reported amounts of revenue and expenses during the reporting period. Although these estimates and judgments are based on management’s best knowledge of current events and actions, actual results ultimately may differ from those estimates.

The significant judgements made by management in applying the Company’s accounting policies and the key sources of estimation uncertainty were the same as those described in the annual financial statements for the year ended 31 December 2025.

4 MATERIAL ACCOUNTING POLICIES

The interim condensed financial statements do not contain all information and disclosures required for full financial statements prepared in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by SOCPA. The results for the period ended 30 June 2026 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2026. The material accounting policies used in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Company’s annual financial statements for the year ended 31 December 2025.

4A NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS

Significant standards issued but not yet effective

The standards applied in these financial statements are those in issue as at the reporting date and are effective for annual periods beginning on or after 1 January 2026.

Following new standards and amendments that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below:

- Amendments to IFRS 10 and IAS 28 – Sale and contribution of Assets between the investors and its associates or Joint ventures
- IFRS 18 – Presentation and disclosure in the financial statements
- IFRS 19 – Subsidiaries without Public Accountability: Disclosures

The Company has not early adopted any standards, interpretations or amendments before their effective date.

New standards, interpretations and amendments adopted by the Company

Following standard, interpretation or amendments are effective from the current year and are adopted by the Company. However, these did not have any impact on the financial statements of the period.

- Amendments to IFRS 9 and IFRS 7 – Classification and Measurement of Financial Instruments
- Amendments to IFRS 9 and IFRS 7 – Contracts referencing Nature-dependent Electricity
- Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments – Disclosures

Management has considered the impact of the ongoing geopolitical situation in the region on the Company's credit risk profile and on the estimation of Expected Credit Losses ("ECL") in accordance with IFRS 9 Financial Instruments. Given the elevated level of macroeconomic uncertainty, management has reassessed the forward looking information used in the ECL models, including key macro economic variables relevant to the Company's portfolio.

Management continues to closely monitor developments in the geopolitical environment and will continue to assess their potential impact on credit risk, model assumptions, and the Company's financial statements in future reporting periods

13 FINANCIAL INSTRUMENTS AND FAIR VALUE

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to by the Company. Financial instruments comprise financial asset and financial liabilities. Financial assets consist of bank balances and receivables. Financial liabilities consist of borrowings, payables, card members' margins and membership rewards.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

13 FINANCIAL INSTRUMENTS AND FAIR VALUE (continued)

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

The Company's management determines the policies and procedures for both recurring fair value measurement, and for non-recurring measurement, such as assets held for distribution in a discontinued operation.

Due to the short term nature of the financial assets and liabilities, the management believes that the fair values of the financial assets and liabilities are not materially different from their carrying values. There have been no transfers to and from Level 3 during the current period or prior year.

14 SAMA PROGRAMS AND INITIATIVES THAT WERE LAUNCHED

In response to COVID-19, SAMA launched the Private Sector Financing Support Program ("PSFSP") in March 2020 to provide the necessary support to the SME sector through empowering and facilitating the financing community. The PSFSP mainly encompasses the following programs:
